

Auto Hauler/Watercraft / RV Motor Truck Cargo Endorsement

It is hereby agreed and understood that in consideration for the coverage provided the terms of this endorsement shall apply anytime the hauling of Motor Vehicles, RV or Watercraft occurs in or on a covered vehicle.

A. Deductibles:

1. If more than one vehicle, RV or watercraft is damaged in a covered loss, the deductible stated in the declaration of this policy will apply to each vehicle that is damaged.

B. Striking of the Load:

1. It is hereby agreed that Striking of the Load as defined below is an excluded cause of loss under this policy:

For the purpose of this insurance, striking of load shall be defined as collision of the cargo with one or more objects other than the carrying/hauling truck, where such collision of the cargo is not a result of an accident to the carrying/hauling truck.

Examples but not limited to: Striking the Load against a Bridge, a Tree, a Pole also the dropping of chains or securement devices upon the vehicle or the dropping of the vehicle itself off of the covered vehicle or attached Trailer.

C. Per Vehicle Coverage Limitation:

1. Unless otherwise specified and agreed in writing, the maximum limit for any one vehicle is \$50,000.00 or the policy limit whichever is less.

D Trailer Age Limitation

1. Unless otherwise specified and agreed in writing, the maximum age of any trailer used for the haulage of Motor Vehicles, RV or Watercraft is 10 (Ten) years from date of manufacture. Coverage will be void with respect to any losses involving trailers in excess of 10 years old.
